A Soap for Particular People

You know what Purple Azalea scent is—a sweet, lasting "smart" perfume. The goodness of

PURPLE AZALEA Toilet Soap

depends, not only on the fact that it imparts the delightful Purple Azalea scent to its user, but because it has a distinctly beneficial effect on the skin.

It contains certain essential oils that soften and beautify the skin and none of the harsh alkalies found in most soaps and which crack and roughen the skin.
